World-Class Aircraft Interior
Wiring & Machine Solution Provider

Wire & Harness Division

Commercial Aircraft Interiors is leading the way in electrical standards by providing multiple industry applications and assemblies under one roof.

Applications:

- Aviation
- Custom Designed
- Marine (ABYC Compliant)
- Transportation Applications
- Video Bundles
- Military Spec Applications

We (**Commercial Aircraft Interiors**) manufacture cable assemblies and wire harness of all types from miniature subassemblies to large assemblies, we offer state-of-the-art laser marking systems for accurate and precise markings along with our journeymen workmanship.

Aviation

Commercial Aircraft Interiors constructs high-performance aircraft harness assemblies

Marine

Commercial Aircraft Interiors marine applications cover all assemblies from bow to stern. From 22 ft. catamarans to 100 ft. yachts, our technicians are compliant to the American Boat & Yacht Council (ABYC) Standards.
